Day 2: Following breakfast this morning we depart and head north entering Pennsylvania, and then on to the "Empire State" of New York. By mid-afternoon we arrive in Lockport for the **Lockport Locks & Erie Canal Cruise**. This is a unique 2-hour cruise past many of the historic sites and five original locks. Now it's time to head for **Niagara Falls, NY**, where we have accommodations for the next two nights. (B,D)

Day 3: Off to spend the day enjoying the classic North American landmark - Niagara Falls, USA. We arrive at America's Oldest State Park, **Niagara Falls State Park** where we have an amazing view over Niagara Gorge, this architectural wonder affords unobstructed views of the wild cascades of Niagara Falls. Next we take the elevator to the base of the gorge to experience the raging whitewater as we board the world famous **Maid of the Mist** for an up-close view of the American and Canadian Falls. We will literally be covered in the mist. Don't worry you will be furnished with a raincoat! We will also discover the story behind the thunder at the Niagara Adventure Theater in Niagara Falls, NY as the film, "**Niagara: Legends of Adventure**" immerses you in action. See the majesty that inspired settlers and explorers to worship and challenge New York's mighty Niagara Falls. This afternoon - Imagine being able to reach out your hand and touch the power emanating from Niagara Falls. A trip to the Visitors Center at **Niagara Power Project** can emulate that very experience. Located just 4-miles downstream from the Falls, it is set amidst the spectacular scenery of the Niagara River Gorge. Tonight - a special **dinner overlooking the falls**, where the view is breathtaking! (B,D)

Day 4: We're a little wistful as we leave Niagara Falls behind this morning. It's easy to understand why so many people return again and again to see this unforgettable sight! Today's travels take us back into **Pennsylvania**. Around lunch time we catch up to the mighty Susquehanna River, which we'll follow mostly of the way to our overnight destination of **Lancaster**. After checking into our hotel, we'll have an **included dinner** in an authentic **Amish home**. (B,D)

Day 5: After an **included breakfast buffet** at the hotel this morning we welcome our step-on guide onboard our motor-coach for a **Guided Tour of the farms and homes of the Amish**. Manicured homes, gardens and fields are evidence of the hard work of the Amish and Mennonite residents of Lancaster County, and we're sure to see the well-known black buggies of the Amish that are their only mode of transportation to and from work, church and the markets. Our **included lunch** is an Amish treat as we enjoy a family style feast at the **Miller's Smorgasbord Restaurant** or similar. Following lunch we have reserved seats in the grand, **Sight and Sound Millennium Theater** for "**DANIEL**". Taken from his people, Daniel is exiled far from home in the powerful kingdom of Babylon. Now this faithful servant must navigate his new life inside a palace filled with golden statues and shifting empires. As royal pressures mount, Daniel is faced with a dangerous choice. Will his trust in the one true God remain steadfast through every test of faith? . Now it's time to wave goodbye to our friendly Amish hosts and travel to **Hagerstown, Maryland** for overnight. (B,L)

Day 6: We're homeward bound after breakfast this morning. The breathtaking natural wonder of Niagara Falls beauty of the farmlands and the rare and simple lifestyle of the Amish of Pennsylvania will remain with us for a very long time.
